Sir,

Sub: Town Planning - Udipi Municipal Council - Preparation of General Town Planning Scheme - Extension of time till 31-3-1944 - Requested.

(J) Abstract

The Government in their order No. 747, P.H., dated 28-2-1942 were pleased to sanction the extension of time for the preparation and submission of the General Town Planning Scheme to Government till 31-3-1943. A map of the General Town Planning Scheme was prepared to a scale of 1 inch = 660 feet but this was found to be too small for showing all the topographical features as suggested by the Personal Assistant to the Director of Town Planning during his visit to this place in 1941. This Municipality has not yet been surveyed according to the Town Survey Rules and the existing revenue sketches are not correct and up-to-date. Moreover, there was no separate Town Planning Overseer in this Municipality from 4-4-1942 and another suitable hand could not be secured even though the vacancy was advertised in the newspapers calling for applications. A map of bigger size has been taken up but it may not be possible to complete the work and submit

and submi
the same to Government by 31-3-1943. Hence the Council in its resolution No. 7 dated 26-2-1943 (copy enclosed) has resolved to address Government for extension of time till 31-3-1944. . . . . .

I, therefore, request that the Government may be pleased to extend the time till 31-3-1944 for the submission of the General Town Planning Scheme as resolved by the Council.
